LAKE FOREST PARKS AND RECREATION DEPARTMENT

2021

CIT PROGRAM (COUNSELOR IN TRAINING)

WHAT IS A CIT?

A CIT (Counselor in Training) is a Junior Counselor who is not yet old enough to acquire a paid position with the Recreation Department, but still wants the experience and structure of a having a summer job. The Recreation Department's main purpose for providing this program is to help the older youth of our community develop job/leadership skills through a positive summer work experience.

All new **and returning** CITs must fill out the attached application and be interviewed by the CIT coordinator prior to camp placements. This year's group of CITs will be chosen based on their application and their interview. We are looking for young people who are committed to the program, have given thought to their application and are prepared for the interview process. There will be no guarantee of a position in the CIT program and participation is based on our camp enrollment and the number of CIT applicants.

CITs play an important role in our summer programs and we require a sincere commitment and hard work from them. It will also be a great learning experience and a lot of fun for anyone involved in the program. The skills that you will acquire during your time as a CIT will help you in any future job opportunities. Although being a CIT will certainly help in obtaining a paid position with the Recreation Department, **it does not necessarily assure you a job here in the future.** The following information has been provided to introduce you to the Lake Forest Recreation Department's CIT Program. The program fee of \$274 covers extensive training, staff shirt, CIT-only functions and administrative costs. **The program fee is due at the time this application is submitted.**

CIT REQUIREMENTS

All CIT applicants will be assigned a position providing the following requirements are met and sufficient positions are available.

Applicants must:

- ◆ *be at least 13 years old (12 if completed 7th grade) and a Lake Forest resident.*
- ◆ *currently be enrolled in 7th, 8th, 9th or 10th grade.*
- ◆ *Program fee paid in full.*
- ◆ *Return a completed application form to the Recreation Center by April 9th.*
- ◆ *be interviewed by the CIT Coordinator.*
- ◆ *attend the mandatory training session which is scheduled June 8– June 12.*

All applicants must meet all five requirements. Failure to meet any of these five requirements can result in denial of position. Also, any CIT who behaves irresponsibly during a program session will have an evaluation meeting with the CIT Coordinator and may be dropped from the program.

PROGRAM SELECTION

Applicants may apply to work in a variety of programs and camps. CIT positions are limited for each program, and are filled in accordance with applicant qualifications and availability. Most of the programs run from June 14 - July 29 or 30, however some are 8 weeks and end on August 6. An important aspect of summer programs is consistency, so the Recreation Department is looking for CITs who are willing to make a commitment to work each assigned day. Those applicants who are unable to make a schedule-oriented commitment will be accommodated to the best of our ability. **Due to the large number of CIT applicants, not all requests for camp locations, days and times can be guaranteed. Most assignments are for two or three day options. Please note that there will be no camps held on August 4th this year.**

In order to keep our CIT volunteers busy on days that they are not assisting with camp duties; CROYA will host a variety of activities to round out the summer, including; youth committee meetings, community service projects, float building for both parades: 4th of July and Lake Forest Day, road trips (i.e. Cubs game) and a camping trip. For more information on these activities please go to CROYA.com. The CROYA schedule is subject to change.

A brief description of some programs utilizing CITs is provided in order to help you in your selection.

EVERETT EXPLORERS

CITs may also choose to work in some of the other programs offered through the Recreation Department that are not listed above. Please look through the Spring/Summer program brochure for a complete listing of our programs. If you have any programs in mind that you would be interested in pursuing, contact John Eldridge (CIT Coordinator) at 847-810-3940, and he will try to accommodate you.

HOW TO APPLY

A CIT application is attached. Applicants (**NOT PARENTS**) must fill the form out **completely** and return it to the Recreation Center **no later than 4:30 p.m., April 9** **with payment of \$274.00 for the program.** After receiving your application, the CIT Coordinator will contact you to set up an interview. Following the interviewing process, CITs will be sent a confirmation email which will include the CIT's assignment, work schedule and the dates of the training sessions.

The \$274 administrative fee will be required to participate in the C.I.T program. This fee will cover the costs of extensive training, shirts, CIT-only events and Administrative costs. Please fill out the attached registration form with payment and submit with the application.

The Lake Forest Recreation Department is looking forward to a fantastic summer -
- hopefully this will include **you** as a CIT!
