

COVID-19 EMERGENCY ACTION PLAN (EAP)

The first line of defense is to keep Participant HOME if they are showing signs or symptoms of COVID-19. Participant should report the following to their Program Supervisor;

- If anyone in the immediate household has recently tested positive for COVID-19.
- Has been exposed to a positive COVID-19 person.
- Has recently travelled to any of the states on the IL travel quarantine list.

In the event either of the below occur, Program Supervisors and / or LFRD Management Staff will handle all communications with Parents and if necessary, other Participant Parents.

- *COVID-19 Symptomatic:*
 - If a Participant or Staff member does have symptoms they CANNOT attend program until 10 days have passed since onset of symptoms OR until feverless and feeling well (without fever-reducing medication) for at least 24 hours.
 - Participant or Staff must have a negative COVID-19 test result.
 - If a Participant or Staff member shows any symptoms while at program, they will be moved to an area separated from the rest of the Program, accompanied by a Staff member. If applicable, parents will be contacted and expected to pick up Participant immediately.
- *COVID-19 Positive:*
 - If a Participant or Staff member does contract COVID-19, they should remain isolated at home for a minimum of 10 days after symptoms onset and can be released after feverless AND feeling well (without fever-reducing medication) for at least 24 hours AND have a negative COVID-19 test result.
 - Anyone who is exposed to a COVID-19 positive Participant or Staff member will be contacted by Staff and advised on next steps.
