Barre focuses on high reps of small range movements to awesome up-tempo music.

Cardio Mix: A great mix of cardio combinations including agility, kickboxing and HITT. Though our class is a non-stop calorie burning workout, all movements can be low impact or high impact depending on your needs; all levels are welcomed to participate.

TRX & Cycle Express: Strength training with suspended straps. Use your body weight to lean out every muscle in your body. Finish this class off with 30 minute sprint intervals and challenging climbs on our stationary bikes.

LF HIIT: This high-energy cardio and weight workout that will help build stamina, improve coordination and burn calories. This class is formatted in intervals in order to get the most out of each muscle group.

Piloxing: This class blends Pilates, boxing and dance. It's a high-energy interval workout that involves heart-pumping, powerful boxing combinations and sculpting and lengthening Pilates-influenced movements. In classes you wear weighted gloves to add extra resistance.

Power Hour: A music led, barbell-based workout that's specifically designed to help you get lean, toned and fit.

Pure Sculpt: You'll tone and strengthen your entire body as you activate your core

Straight Up Core: Improve your posture and build core muscle groups through a variety of exercises designed to strengthen your abdomen and back muscles while increasing your flexibility. Walk taller, feel stronger.

Strength & Cardio Mix: This class is a full combination of all things cardio and weight training while using our most fun equipment. Each class is designed to challenge and educate you on the most effective and safe movements while burning calories!

Super Charged Circuit: This fast paced, high energy, total body workout will take you through a series of stations that target your whole body.

Total Body Conditioning: A multi-level, full body workout that targets all major muscle groups. This workout is designed to contain challenging exercises that will increase strength and get your heart pumping at your desired intensity level.

TBC Power: This class is all things Total Body Conditioning with a little more POWER! In this format you will be challenged from start to finish. If you are looking to take your strength training to new heights, then this class is for you.

YIN Yoga: a slow-paced, meditative yoga style that focuses on connective tissues in the body and aims to improve flexibility and range of motion.

Yoga: Enjoy your day with sun salutations and deep breathing to warm the body and prepare it for a deeper stretch.

Sculpt: a high-energy class that combines cardio and strength-training moves to build lean muscle and burn calories
