Giving is a tradition in Lake Forest. Many of the Park and Recreation facilities have been made possible through the generosity of our residents and local organizations. Now comes an opportunity to help support Parks and Recreation and leave a lasting memory of your gift.

PAVER PROGRAM
At the entrance of the Fitness Center is an outdoor patio which has been constructed with clay pavers that are suitable for engraving.

Engraved pavers can be purchased through a donation to the Parks and Recreation Department for $100 each.* Each paver can be engraved with three (3) lines and thirteen (13) characters per line.

Proceeds from the Paver Program will be used to furnish the Recreation Center and purchase equipment for youth programs.

Please consider a lasting gift to the Parks and Recreation Department through this program. Simply complete the form on the back and return it to the Recreation Center. If you wish additional information, call 847-234-6700.

Thank you in advance for your support of Parks and Recreation in Lake Forest.

*Contributions may be deductible to the full extent provided by law. Please consult your tax advisor.
If you wish to personalize a paver with your name or to honor a family member or friend, please fill out the information below. If you have questions regarding a paver, please call the Parks and Recreation Department at 847-234-6700.

Guidelines: Each brick will accommodate 3 lines with 13 spaces per line, including punctuation and spaces between words or names. The pavers will be inscribed in capital letters; you may use most characters and punctuation marks when personalizing names.
